EXCLUSIVE BATHROOM SERIES

Mit LINEA hat ZACK eine Badserie entwickelt, die mit geometrischen, reduzierten Formen konsequent einen zeitlosen und geradlinigen Stil umsetzt.

Durch diese formale Reduktion fügt sich LINEA harmonisch in unterschiedliche Badwelten ein.

Die hochwertig verarbeiteten Badaccessoires werden aus exklusivem 18/10 Edelstahl hergestellt. Die anschließende seidenmatte Polierung gibt jedem Artikel das überzeugende Finish.

Seit 1985 belegt das Design-Label mit seinen umfassenden Kreationen, dass man ZACK zu Recht zu den Top-Marken im Bereich der Bad- und Wohnaccessoires aus Edelstahl zählt.

With LINEA, ZACK has designed a bathroom series which internalises timeless, straightforward style with its reduced, geometric shapes more consistently than almost any other range. This reduction allows LINEA to integrate effortlessly into a wide variety of bathroom styles.

The high-quality LINEA bathroom accessories are manufactured from exclusive 18/10 stainless steel. The subsequent satin polish provides each article with an impressive finish.

Since 1985, the design label has demonstrated with its complete creations that ZACK is justly regarded as one of the top brands in the segment for stainless steel bathroom and living accessories.
